

PW 300

USE AS A BOOKSHELF & SURROUND SPEAKER*

*Operates over standard Wi-Fi.
Stream from Android, iOS mobile or PC.*

** Surround speaker option only when paired with PW Soundbar.*

Wireless Freedom. Paradigm Performance. A Better Audio Experience.

Make the decision to stream audio throughout your home and experience a new realm of effortless entertainment bliss. Streaming audio over your home's Wi-Fi network gives you instant access to an infinite personal playlist, app-controlled convenience and wireless speaker flexibility.

Paradigm's Premium Wireless Series delivers more dynamic streaming Wi-Fi audio. It accomplishes this with advanced engineering and high-quality materials, as well as DTS Play-Fi - the most innovative streaming technology available. The difference is clearly audible, with a wider dynamic range, crisp details and greater bass response.

FEATURE HIGHLIGHTS

- Wireless speaker – ideal for small/medium rooms
- Bluetooth and Play-Fi Connectivity
- 80W Dynamic Peak; 40W RMS
- High Resolution audio reproduction – up to 24bit/192kHz*
